Honorable Alan T. Waterman, Director
National Science Foundation
Washington 25, D. C.

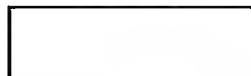

Dear Mr. Waterman:

Just prior to Mr. Dulles' departure from the city, he asked me to thank you for your letter of 4 December and the enclosed copy of Federal Funds for Science, VIII: The Federal Research and Development Budget, Fiscal Years 1958, 1959, 1960.

Your thoughtfulness in bringing this to our attention is indeed appreciated and, should we need additional copies of this publication, we will get in touch with the Foundation.

Sincerely,

SIGNED

Dr. Alan T. Waterman
Director
National Science Foundation
Washington 25, D.C.

Dear Alan:

Mr. Dulles has forwarded on to me your letter of 23 September. As you know we are very much interested in any register of scientific and technical manpower. We shall, therefore, be very glad to cooperate in any way possible in the preparation of a report to the House Committee on Science and Astronautics as requested in your letter.

I have designated [redacted] Chief
Physical Sciences Division of our Office of Scientific
Intelligence as my representative with this project.

The Honorable Allen W. Dulles
Director
Central Intelligence Agency
Washington 25, D. C.

My dear Mr. Dulles:

On August 26 the House Committee on Science and Astronautics forwarded to the National Science Foundation a resolution requesting the Foundation:

" . . . to submit to the committee on or about January 4, 1960, a comprehensive report covering (A) the status of the scientific and technical manpower register and the scientific manpower studies, and (B) the projected plans for the future, short-range and long-range, in these areas."

In the preparation of this report the Foundation is directed to consult with other Government agencies, including the Central Intelligence Agency. The report is to include "summaries of the specific interests, needs, and recommendations of such agencies."

I know we can count on your agency to cooperate in the preparation of this report. As soon as possible the Foundation would like to make some specific proposals relating to preparation of the report and incorporation of agency views. It will be extremely helpful if you will advise me regarding the person on your staff who will be concerned with this subject. If agreeable with you, we will then contact him directly.

Your cooperation in this matter is greatly appreciated.

Sincerely yours,

Alan S. Waterman
Director

Mr. Alan T. Waterman, Director
National Science Foundation
Washington 25, D. C.

Dear Alan:

I very much appreciate your letter of July 31 arranging for your people to work closely with us in compiling certain statistical data on U.S. scientific and technical professional manpower.

I appreciate that your data may not always conform with the reporting procedures employed in the Soviet Union but, nevertheless, I am sure that your assistance will be most helpful.

With best wishes and many thanks.

Sincerely yours,

Allen W. Dulles
Director

Dear Alan:

Knowing of your particular interest in our special efforts to provide the Government with information about Soviet science, I thought you would like to see our new edition of Soviet Men of Science.

In this edition we have brought together information on nearly 50,000 Soviet scientific personalities, and provided a comprehensive guide to their organizational affiliations.

Sincerely,

SIGNED

Dear Alan:

I have your letter of 21 February and want to thank you very much for inviting me to an Open House on 13 March to meet the Members of the National Science Board.

I am planning to be at Princeton on that date but expect to come back sometime in the afternoon. Should I get back in time, it will be a pleasure to join you on this particular occasion.

Your thoughtfulness in asking me to attend is indeed appreciated.

With kindest personal regards.

Sincerely,

NATIONAL SCIENCE FOUNDATION

OFFICE OF THE DIRECTOR

WASHINGTON 25, D. C.

February 11, 1959

The Honorable Allen W. Dulles
Director
Central Intelligence Agency
Washington 25, D. C.

Dear Allen:

You are cordially invited to attend an Open House to meet the Members of the National Science Board on Friday, March 13. It will be held in the Auditorium of the National Science Foundation at 1951 Constitution Avenue, N. W. from 4:30 to 6:30 p.m.

The occasion will also provide an opportunity to visit the new quarters of the Foundation and to see an exhibit of the Physical Science Study Committee. The exhibit will be composed of novel laboratory apparatus designed to modernize the teaching of high school physics. Mr. James E. Webb and Dr. Jerrold R. Zacharias will be present to explain the project, which has received support from the Foundation.

I hope you will be able to join with us for the Open House.

Sincerely yours,

A handwritten signature in cursive script that reads "Alan".
